Guide to Getting a Younger Boyfriend

University student Hikaru is an egoist whose type is "Girls who tell me that they like me." One day something changes after finding his younger brother Hijiri going on a date with a younger boy (not really his lover). The stage is set for Gichu Ido's first comic!

Includes a special extra of the young brother couple!

C H A R A C T E R S

Tomura (Eldest)

Hikaru's junior at college and Hijiri's classmate. He has a great body and a very honest personality. He's liked Hikaru since they first met. Earnest

Hikaru

The story's protagonist. College student. He doesn't know about liking or loving, and has a troubling personality in which he can't help but feel envious of others

Hijiri

Hikaru's younger brother. He does everything perfectly, which has caused Hikaru to secretly have a complex about it.

Tomura Sachio

Tomura's (Eldest) younger brother. A middle schooler in a growth spurt. He's Hijiri's friend, but somewhere along the line leveled up to boyfriend. (At least it looks that way)

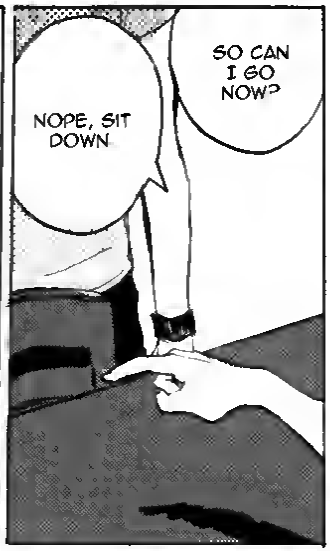
THAT TALL GUY, TOMURA, IN MY CLUB.
Tomura
We're having a meeting at home
No talent

...

HAHA...
IT'S SO GROSS TO SEE HIM EMBAR-RASSED
HEH. HE'S REFRESHING COMPARED TO THE REST OF YOUR COMPANY HE'S REALLY POLITE.

I WAS DUMPED BY MY GIRL-FRIEND.
I HAVE NOTHING ELSE TO DO.
...AREN'T YOU BEING NOSY, HIKARU?



SO CAN I GO NOW?
NOPE, SIT DOWN.

If Hijiri happens to be in love with Sachio-kun...

AGAIN?

AGAIN.

HEY, LET ME IN ON IT TOO.

THEN I'LL PROBABLY START LIKING HIM TOO.

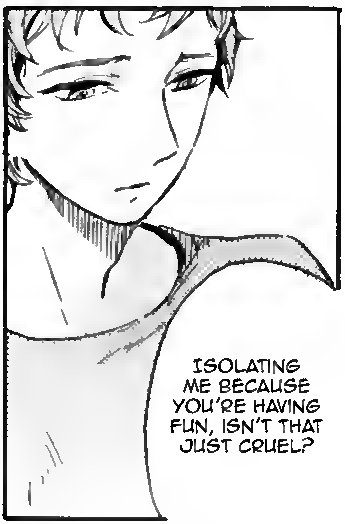
...HA?

IT SOUNDS KIND OF FUN.

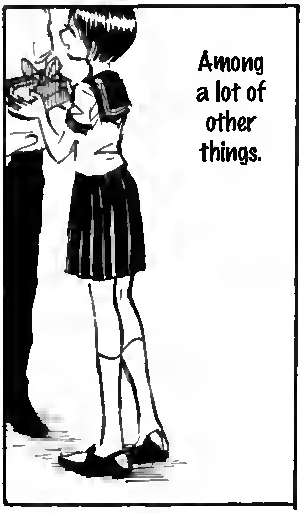
I WANT TO HANG OUT WITH SA-CHIO-KUN.

OH, IS IT BECAUSE YOU DON'T WANT ME AND SACHIO-KUN TO GET ALONG?
...
IT'S NOT WEIRD, I MEAN YOU EVEN HANG OUT WITH HIM
..NO, THAT'S WEIRD WHY WOULD YOU AND SACHIO-

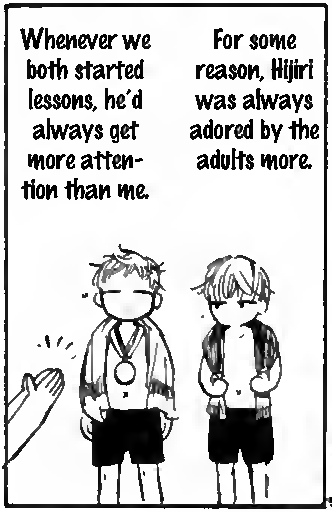
...USING THAT TONE TO MAKE IT SOUND LI-KE THAT'S TRUE.
I WANTED TO SAY SOMETHING MALICIOUS.



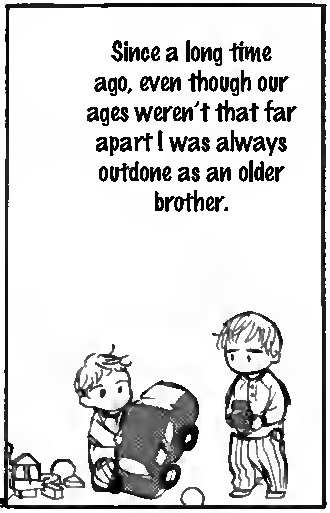
ISOLATING ME BECAUSE YOU'RE HAVING FUN, ISN'T THAT JUST CRUEL?



Among a lot of other things.



Whenever we both started lessons, he'd always get more atten-tion than me.
For some reason, Hijiri was always adored by the adults more.



Since a long time ago, even though our ages weren't that far apart I was always outdone as an older brother.
